Food Collection for Food Boxes – As we continue to provide food boxes to the local community, we are in need of items which we are unable to obtain. We still get much food from Midwest Food Bank and Blessings of Hope. However, canned meat/stew and peanut butter are foods which are never available for the boxes. Therefore, during the months of October and November, we are asking all six Methodist Churches in the Northern Lebanon Cluster to collect these items. We are specifically asking for the following foods: **Canned chicken, canned tuna, span, stew, and peanut butter.** There is a collection area in the narthex for you to drop off your purchases. Thank you in advance for your assistance in helping us provide our community with much needed food. Please continue to pray for this ministry! Questions, please contact Becky Moyer at 717-512-6439.

All ages are welcome to be a part of our choir this Christmas season as we prepare a cantata for the congregation on Dec. 21st. Rehearsals will be on Thursday evenings at 7pm beginning Oct. 16th
